

A Merry Christmas to All Our Friends and Patrons

ANOTHER BIG MUSICAL SHOW IS ON ITS WAY

"Pretty Baby", Big Musical Comedy Show Is Coming to Washington Theater on January 2.

"Pretty Baby" the musical comedy which Jimmie Hodges will present to the patrons of the Washington Theater on Friday, January 2, is one of the best singing attractions that one would wish to hear. All the way down from Jimmie Hodges and Eva Lappin, the stars with the play, to the humble choristers, the voices are excellent.

Jimmie Hodges is a rare combination singer and comedian and is more than proficient in both lines.

Not only is Miss Lappin comely of person and a graceful dancer but her vocal efforts stamp her as a vocalist more melodious than is usually found in the field of musical comedy. There are two others in the cast, Johnnie O'Neill and Tom Williams who are very little if any behind the luminaries in the cast as to comedy and also run up to them as vocalists.

The "Pretty Baby" trio, a male trio is an excellent organization heard in many popular numbers, the male chorus is well worth while, while observation would imply that the ladies have been chosen more than usually meritorious.

The standing of the show however is not wholly dependent upon the vocal efforts. "Pretty Baby" is brim full of new and original novelties. The scenes top of a New York Roof garden which closes the first act is one which will be remembered many a day.

The Mid-week Meeting Thursday 7 p. m. will be an interesting and profitable service. Let the people celebrate Christ's birth by coming to his house and worshipping their King.

MISSION WORKERS HAVE FURNISHED CHRISTMAS DINNER

Thirty-five Baskets Delivered to 35 Needy Homes in Maysville Under the Direction of the City Mission Workers.

The Maysville City Mission which always plays a very important part in the Christmas of the poor of the community, has again been on the job this year and on Tuesday evening Mrs. Fountain, the acting superintendent, assisted by the young women of the Maysville Settlement Club, filled 35 baskets with good things to eat for the grown-ups as well as the kiddies but there was also a treat of candy and nuts for the little ones included and some fruit.

These 35 baskets will be delivered by the City Mission to 35 needy families in the city and its suburbs today. The baskets contain enough food for a good substantial Christmas dinner. Of course, there is no turkey in the baskets, but there is to be found food that will make a splendid dinner and they will put Christmas cheer in 35 homes where, perhaps, without them Christmas would have been a very dreary sort of day.

The City Mission is continuing a work that no other institution in the city can accomplish and it deserves the whole-hearted support of all our good citizens.

GRANDEST DANCE OF SEASON ON CHRISTMAS NIGHT

As there will be no Chariot Ball this holiday season, the one great social event of the season will be the big Assembly Dance at Neptune hall on Christmas evening. There will be many out-of-town people here and the dance is expected to be a great event. Wiedemeyer's famous double orchestra from Huntington, W. Va., will furnish the music and it is understood that this is by far the best dance music that has ever been brought to Maysville.

BAND MEMBERS GET GIFT AND DISTRIBUTION OF FUNDS

Members of Maysville Boys' Band Receive \$25 Each as Their Share of Band Fund—Manager Presents Them With Box of Fine Candles.

When the members of the Maysville Boys' Band met at the band room in the Caproni building this afternoon prior to the parade to the Court House where the business men gave their big party for the poor kiddies of the community, Manager J. Barbour Russell, presented each member of the band with a Christmas gift in the shape of a box of Dolly Varden Chocolate covered cherries made especially for the occasion and with it a beautifully printed Christmas verse he had composed as follows:

A few words for my "Pals" today. And may they be cheerful ones, I say. I want to thank you one and all For the good work you have done this fall.

Christmas comes but once a year. So here's a small token for my little dears.

"When words fail" then send them this; It's better than an "old man's" kiss. May this day be full of sunshine and bliss.

And my presence you will not miss. Your Manager has tried to do his best. This box of "Sweets" will do the rest. J. BARBOUR RUSSELL, Manager Maysville Boys' Band.

At the Court House, following the parade the manager presented the 31 members of the band with envelopes each containing five new five dollar bills which was each of the 31 members' share of the money the band had made during the year. All of the members were more than surprised as they had not expected the fund to be so large. This money was made by the band in the following engagements:

Mower's Park \$30; Ewing Lot Sale \$67; Brookville Lot sale \$70.75; Mower's Park (second engagement) \$50; Germantown Fair \$200; West Union Fair \$54; Georgetown Fair \$66; Republican Rally \$25; Democratic Rally \$44; Paris Y. M. C. A. \$60; Minerva Community Club \$40; Skating Rink \$25, making a total of \$756.75. As the managers wanted the members of the band to have even money, Mr. Russell and Mr. A. L. Glascock increased the fund by adding \$18.25. It is no use to say that the children were more than pleased when they opened their envelopes and found they had made for themselves \$25 each.

The members of the band follow: John Debold, Victor Caproni, William Ellis, Charlton Key, Julian Leffler, J. B. Russell, Jr., Clifton Simpson, Clyde Outten, Eugene Royse, Harry Jolly, Allen Wood, Kitty Glascock, Nancy Glascock, Sudduth Royse, Joseph Caproni, Herman Clark, Ellis Crawford, James Childs, Jr., Jennie Blythe, Charles Newell, Kenneth Simpson, Charles Spencer, Nelson Breese, Leslie Walker, E. Gardner, P. C. Smoot, Gordon Childs, J. B. Glascock, Robert Triebler, Henry Key and Mrs. J. H. Young.

On the parade to the Court House this afternoon, the band stopped in front of the home of their director, Prof. J. H. Young, who is confined to his home on account of illness and played "Glad to See You," a number written on the slogan of the band by Manager Russell and set to music by Prof. Young.

DR. STRODE'S FUNERAL

FRIDAY MORNING The funeral of Dr. J. T. Strode will be held from the home of his son, Mr. W. Hall Strode, in East Second street, Friday morning at 10 o'clock. Services will be by Dr. B. B. Bailey of Shelbyville, former pastor of the local Baptist Church, assisted by Pastor J. A. Davis. Burial will be in the Maysville cemetery.

The Broken Board of Missions of the Baptist churches in this district will hold an all day's session at the First Baptist church in this city on next Tuesday. As this is the first meeting of the District Board since the big 75 Million Campaign when nearly \$100,000 was raised in this district for missionary purposes, the meeting will be a very important one.

Mr. V. B. Orme and Miss Beale Lee, daughters of Robertson county, were married here today by Rev. J. A. Davis.

MAKING PLANS FOR TAKING 1920 CENSUS HERE

Mr. J. C. Everett Named Census Referee in Mason County—Census Takers to Be Named Within the Next Few Days.

Mr. J. C. Deham, of Vanceburg, Census Supervisor in this district of the state of Kentucky, was in Maysville a few days ago making arrangements for the taking of the 1920 census in Mason county and plans are now about complete except that the names of the census takers in all precincts of the county have not been named. This will be done some time this week, however, and work will be ready to begin the first of January.

Mr. J. C. Everett has been named Census Referee for Mason county and will have direct charge in taking the census in this entire county. Mr. Everett will be furnished with a list of those who successfully passed the census enumerator's examination this week. Some of the enumerators for the city of Maysville are already named. Prof. Caplinger, Prof. Dale and Prof. Berry, of the Maysville Public Schools, will have charge of various sections of the city and they will be assisted by others to be made known later in the week.

The announcement of enumerators in the county precincts has been held up as several who successfully passed the examination and received appointments have resigned and others must be named in their stead.

MENDING HOLES IN STREETS

At last work has been started at mending the many holes in the city's paved streets. It is to be hoped that this work will not be stopped until the several holes are covered and it is also to be hoped that in the future the delay in attending to this most important matter will not be so long.

MANY POOR KIDDIES MADE HAPPY AT THE COURT HOUSE TODAY

Great Throng of Youngsters at Invitation of Business Men Meet Old Santa Claus and Receive Toys and Candles.

When the town clock struck 12 o'clock today there were many ragged youngsters on the Court House steps anxiously awaiting the opening of the doors that they might see old Santa Claus and receive from him some little Christmas toy or some candy.

At 2 o'clock the Boys' Band led a procession up through the business section and the kiddies who joined in this Christmas parade enjoyed it almost as much as they will enjoy the toys they received from Old Santa Claus at the Court House.

As is usually the case, the Court House was filled with the youngsters and this year the handling of the distribution was just a little more satisfactory than it was last year for each child was compelled to have a ticket to admit them to the court room.

The business men who had brought Santa Claus to so many poor kiddies who probably would not have had anything like a real neat leaping Christmas, stood about to watch the expression on the faces of the youngsters and through the joy that could be read in the faces of the kiddies, the business men were more than repaid for the money they had spent to make the party possible.

There is nothing done in Maysville from the beginning to the end of each year that's more worth while than this distribution of toys and candies to the children of the unfortunate of the community.

FORMER FLEMING COUNTY MERCHANT IS DROWNED

Mr. Charles Sheckels, of Kerrville, Texas, Is Drowned in Pond—Details Are Now Lacking.

Friends in Fleming county received telegrams Tuesday announcing the sudden death of Mr. Charles Sheckels at this home in Kerrville, Texas, from drowning. The telegrams simply stated that Mr. Sheckels had drowned in a pond on one of his farms and no further details were given.

For several years Mr. Sheckels conducted a general merchandise store in Mt. Carmel, Fleming county. He was probably the most progressive merchant in that section of Fleming county and operated one of the best stores to be found in the country at most any place. He was unusually successful and several years ago sold his business and removed to Texas where he owned several large farms and conducted a large general merchandise business.

Mr. Sheckels was about 50 years of age and a most likable gentleman. He was an honored member of the Masonic fraternity and had a host of friends in Maysville and vicinity who will be grieved to learn of his sudden death.

TEACHERS' REPORTS READ BEFORE MEETING OF FEDERATION

Reports of County Teachers Read at Meeting of Teachers' Federation Create Much Interest.

At a recent meeting of the Mason County Federation of Teachers reports from four of the committees were read before the body and adopted. While the majority of people will conclude that the sole purpose of the Federation of Teachers is to work for increased salaries, yet, the following reports show that with the true teachers this is a matter of secondary importance, the first being that of securing satisfactory results through the efforts put forth in public schools and this can be accomplished only, when teachers are well trained, sufficiently interested in their work, and sufficiently paid that they may not be compelled to transfer time and effort that properly should be expended in educating the young to worrying over the daily bread problem.

We are giving below the reports of the Committee on Professional Interest, of which Mrs. Marsh is Chairman, and Committee on Parent-Teacher Association, Miss Eleanor Wallace, Chairman. Knowing these two women personally, it is my pleasure to say that they "practice what they preach."

The Committee on Professional Interest desires to recommend that the Teachers of Mason County do everything in their power to increase their efficiency and widen their usefulness, to keep in touch with the most progressive thought of the day by reading the writings of our leading educators and our best school magazines. Since we are all meeting the same difficulties, solving the same problems, facing the same discouragement and working toward the same end, namely, the betterment of our schools, let us work together in a spirit of helpfulness and loyalty, and at all times maintain

Plenty of Good Blood—the Foundation of Good Health—Pepto-Mangan Helps Make Blood—Must Feel Good to Be Happy—Take Pepto-Mangan a Few Weeks and Note Improvement—In Liqueur and Tablet Form.

To be a first-class human being one needs, first of all, good health. Good, rich blood and plenty of it is the very essence and foundation of good health. The purpose of Pepto-Mangan is to supply these blood-enriching elements that thin-blooded people need to improve their blood condition. To be anemic or thin-blooded means to be deprived of most of the joy of living and to be less than a normal human being. It means weakness, irritability, dullness of mind and a general low level of life. Pepto-Mangan does a great service to the thin-blooded by helping them to a better blood supply—better health—more happiness. It is scientific and is based on the best-known medical practice.

Get Pepto-Mangan of your druggist. It is sold in both liquid and tablet form—no difference in medicinal virtue. See that the name "Gude's" is on the package. Without the name "Gude's" it is not Pepto-Mangan.

SUGAR RECEIVING
ATTENTION FROM
H. C. L. COMMISSION

Kentucky High Cost of Living Commission is Devoting Time to Investigating Sugar in the State.

The High Cost of Living Commission is still receiving a great many complaints about the high cost of sugar. The price of sugar in the city of Louisville ranges all the way from 11c to 28c per pound. The dealers who sell the high price sugar claim that the wholesaler cannot or will not furnish Eastern sugar and that they are charging from 18c to 20c per pound wholesale, for the Louisiana sugar. We cannot understand why they cannot get Eastern sugar at Eastern prices in this district. A great many of the complaints seem to feel that there is a falsification somewhere and that the scarcity of sugar as heretofore suggested so artificially was for the purpose of selling the high price sugar in this market, therefore the Commission has started an investigation which will reach from Louisville to Washington and will report the result to the people of Louisville through the press as it develops. We note an erroneous statement has been circulated with reference to the Sugar Board. The Sugar Board still has jurisdiction over sugar and sugar prices and we are going to request that said board take up the Louisville situation and use our best endeavors to get Eastern sugar into this market if the wholesaler can be induced to handle it. We do not believe that it is impossible to get Eastern sugar that can be sold at the usual sugar profit, for 12c a pound therefore we are in hopes of being able to fix a price at not more than 12c within the near future.

It is only fair to state that the retailers, we find from our investigation, are not always profiteering in sugar and other staples but are obliged to pay, in many cases, these exorbitant prices to the jobber, and that the jobber in some instances in turn are not profiteering but likewise have to pay exorbitant prices to the producer making it necessary that the correction of the present condition will have to take place at the source of production making it exceedingly difficult for this Commission as they are most always outside of our jurisdiction but where local profiteering is prevailing or where prices are charged or based on replacement basis instead of the actual cost, the District Attorney's will begin prosecutions.

NATURAL ROPE AND STRING

"Take the stalk of any of the common milk-weeds and break it, and you will find that the out bark does not break and may be stripped off into silken-like threads, which can be twisted together and used as thread with which to sew ditty bags, knife scabbards, etc.," says Dan Beard in his department in the bigger Boys' Life for November.

"No one showed the Chief how to use the milkweed, that is, no human being showed him, but there is a little orange and black woodcrafter who builds its nest of string and yarn, when he can find it, in the shade trees of the village streets, but in the wilderness, like the rest of us, he must use material he finds in the woods, and it is there that the Chief discovered that the Baltimore oriole was using milkweed fibers with which to build its hanging nest."

"The Chief also discovered that the oriole was using the inner bark of the chestnut with which to make its cup shaped nest, and the Chief immediately began to experiment with the inner bark of the chestnut, and with it he made a rope the size of an ordinary clothesline, which could support him without danger of breaking, and ever since then he has used this bark for string or rope wherever chestnut trees were handy."

"Not only are these things good with which to sew, and with which to do up bundles, as was pointed out to you readers in the Chief's story of the Rest Cure, but one may also use them for ropes, with which to bind together the logs of a raft, for a boat or a canoe, or as material with which to braid a belt, or as fibre to be used as raffia in basket making."

A singular feature to be seen in Japan on New Year's day is a grass rope running from house to house, with symbolical decorations. It is believed to ward off evil spirits during the year.

It is a mistake to continually dose yourself with so-called laxative pills, cathartics and force bowel action. It weakens the bowels and liver and makes constant dosing necessary.

Why don't you begin right today to overcome your constipation and get your system in such shape that daily purging will be unnecessary? You can do so if you get a box of Nature's Remedy (NR Tablets) and take one each night for a week or so. NR Tablets do much more than merely cause pleasant easy bowel action. This medicine acts upon the digestive as well as eliminative organs—promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates the bowels and gives the whole body a thorough cleansing out. This accomplished you will not have to take medicine every day. An occasional NR tablet will keep your body in condition and you can always feel your best.

Try Nature's Remedy (NR Tablets) and prove this. It is the best bowel medicine that you can use and costs only 50c per box, containing enough to cure any case of constipation. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

IN THE DAYS NEWS
"From barber to millionaire" summarizes the career of W. S. Copley, whose purchase of the town of Huddersfield for \$6,500,000 has been mentioned in recent dispatches from England. Sentiment probably prompted Mr. Copley in making his extraordinary purchase, for it was in Huddersfield that he was born some sixty years ago. Penniless and without schooling, he emigrated as a youth to Australia, where he found employment as a barber. Then he went into house buying, and tried his hand, in turn, at cattle ranching, engineering, and other enterprises. Everything he undertook he put his back into, and it was not long before the poor Huddersfield boy was a man to be reckoned with in Australia. Returning to England several years ago, he immediately became interested in commercial affairs in the mother country. Today he

is a controlling factor in many great corporations, including insurance, cotton, brewing, and banking.
Today's forecast is for a "dry" Christmas.

TEN STILL NABBED
Akron, Ohio.—Ten alleged moonshiners were arrested, copper stills seized and several hundred gallons of raisin and prune mash and whiskey confiscated by a posse of sheriffs and federal agents who pounced on two farms at Steel's Corners, near here, late Monday. It was the latest haul made in Summit county. Officers found ten stills in operation.

SUMMING UP THE EVIDENCE

Many Maysville People Have Been Called As Witnesses.

Week after week has been published the testimony of Maysville people—kidney sufferers—backache victims—people who have endured many forms of kidney, bladder or urinary disorders. These witnesses have used Doan's Kidney Pills. All have given their enthusiastic approval. It's the same everywhere. 50,000 American men and women are publicly recommending Doan's—always in the home papers. Isn't it a wonderful, convincing mass of proof? If you are a sufferer your verdict must be "Try Doan's first."

Here's one more Maysville case. A Sorries, local and gunsmith, W. Second and Wall Sts., gave the following statement in January, 1912: "The action of my kidneys was irregular and the kidney secretions contained sediment. I had backaches and when I stooped over, I had trouble in straightening up. Cold settled in my back and kidneys, too. Doan's Kidney Pills stopped the trouble and my back and kidneys became as strong and well as ever."

A LASTING EFFECT. On November 14, 1916, Mr. Sorries said: "I am the same strong believer in Doan's Kidney Pills today, as when I gave my former endorsement. I haven't had any trouble with my kidneys in a long time and I believe the cure they gave me will be permanent."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Sorries had. Foster-McBarn Co.

MRS. MARY D. MARSH.
MISS ELIZABETH MURPHY.
T. J. CUREY.

Report of The P. T. A. Committee
Believing that every child should have his rights—which is the opportunity to unfold the best that nature has given him; that this country as a nation has reached the state of democracy where it is possible for each child to claim his heritage; remembering that the home and the school are entrusted with the care of the child during the most formative period of his life.

Believing further, that no individual school nor system of Education can be fully satisfactory without the cooperation of intelligent fathers and mothers in the training of their children; that the regulations, teaching methods, courses of study, problems of health and morality, etc., require intelligent discussion by both parents and teachers, in order that every boy and girl may be taught how to live and how to earn an honest living.

Therefore, this Committee recommended that the department of the P. T. A. be taken up by every teacher of this organization and the work of arousing and fostering the ideal for the home and the school, hoping that the time will come when every home shall be established on a foundation of intelligent sympathy and every school shall provide the environment that will help the child to develop his possibilities and serve his generation with ability and joy.

Holding these views we urge the teachers to get in closer touch with every parent by organizing a Parent-Teachers Association, if not organized, and putting their organization in touch with State-National Federation, remembering that in unity there is strength.
